FREDERICK'S PIANO LOUNGE & TERRACE

Taking its name from Sir Frederick Gordon, the original owner of the Majestic Hotel, our Piano Lounge & Terrace is adorned with murals of eight beautiful English Spa towns, including Harrogate. Over the years the Great Lounge at The Hotel Majestic has welcomed many famous names: Sir Edward Elgar, Sir Winston Churchill, Baroness Margaret Thatcher, The Duchess of Kent, Prince Charles in 1997. In celebration of the opening of The Hotel Majestic in 1900 its sister hotel in Marylebone London gifted a beautiful mahogany Grandfather clock. More than a century later, the clock can now be found in Frederick's Piano Lounge still in working order.

Sit back, relax and take your pick from a carefully crafted menu offering nibbles, small plates and larger plates alike. That's not forgetting our delectable drinks offering featuring fine wines and dynamic cocktails that perfectly compliment your Majestic experience.

CARTERS CHAMPAGNE BAR & GRILL

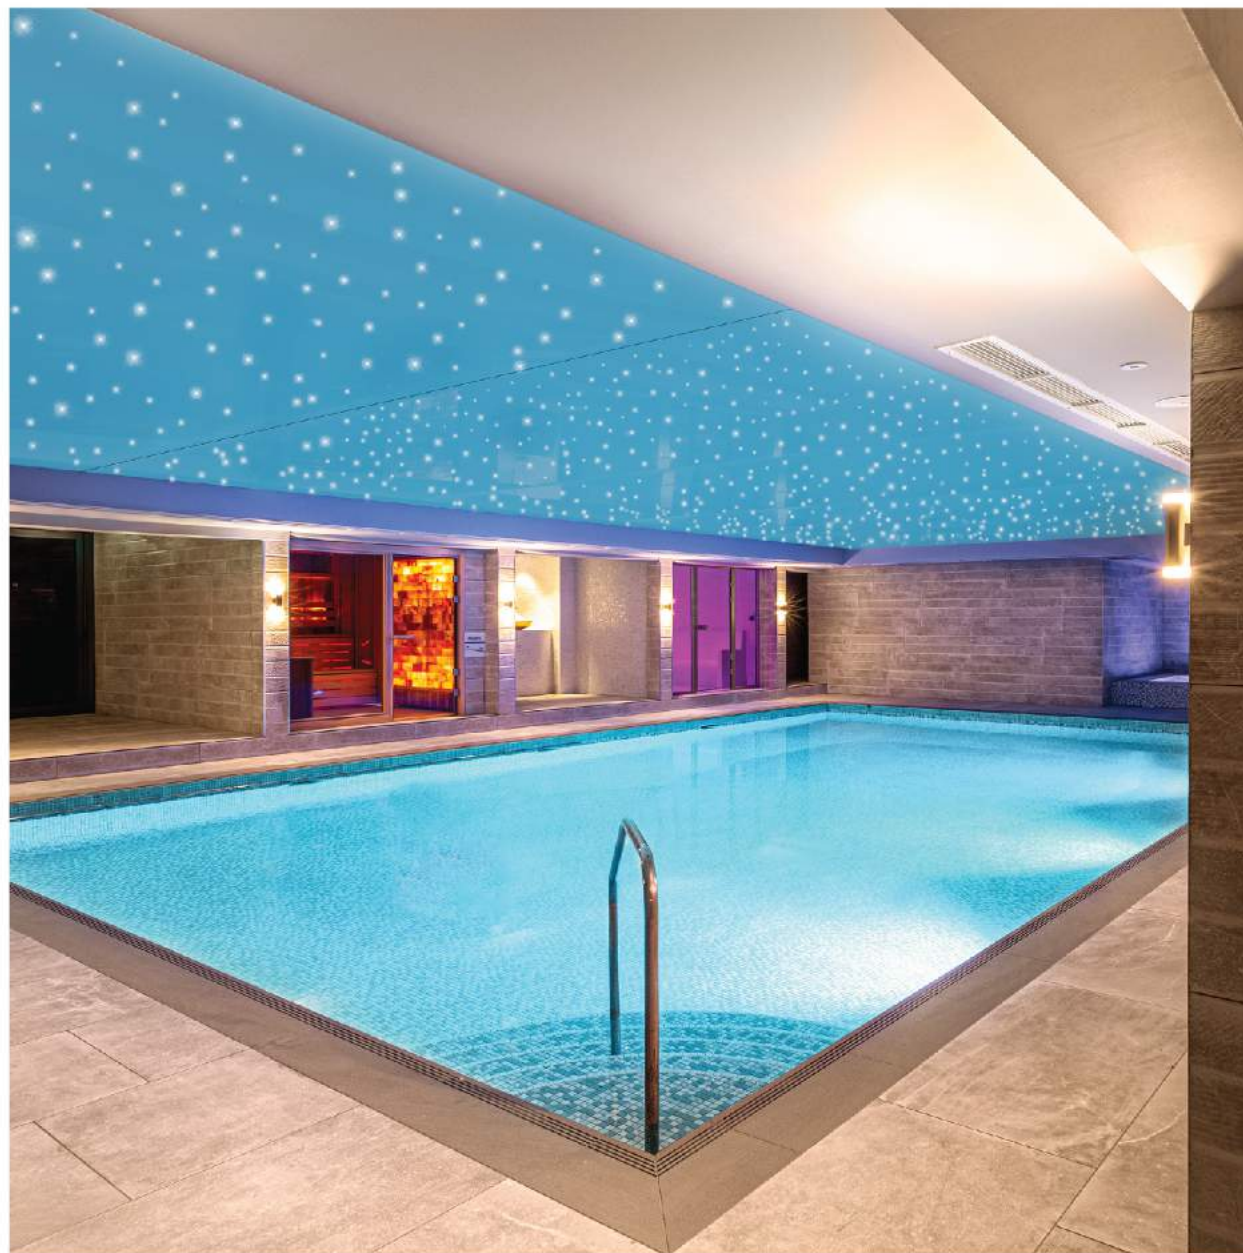

We are proud to introduce the stunning Carters Champagne Bar & Grill which opened at the end of 2019. Once the hotels splendid Ballroom it has seen many stars of the world dining and performing including A-Ha, The Bee Gees, Bay City Rollers, Nigel Kennedy, Denis Waterman and Cilla Black to name but a few, and in 1949, 4 years before her Coronation, HRH Princess Elizabeth accompanied by HRH Prince Phillip dined here at one of the hotels extravagant banquets.

The Champagne Bar & Grill takes its name in honour of Nicholas Carter, Harrogate's first Major in 1884, who resided at his large villa style family home 'Spring Bank' before it was purchased by The Frederick Hotel Company and transformed into one of England's finest hotels as we know it today.

Tastefully decorated with an Edwardian style and unmistakable Majestic elegance, today Carters Champagne Bar & Grill serves up an à la carte menu boasting seasonal local produce daily. Be sure to try one of our grill dishes using aged meat that will be cooked over a Josper Charcoal Grill for mouth-watering textures and enhanced flavours.
