With a history dating back to 1900, this impressive Victorian gem was crafted by architects with the vision of a stately home. Lovingly restored to its former glory with a multi-million refurbishment, the hotel retains its original character and charm but is further elevated with modern luxury, creating a picture-perfect setting for celebrations and photographs.

Whether you're looking for an intimate venue or an extravagant celebration, we have the perfect backdrop for hosting between 20 – 500 guests. From the booking date to the big day, our dedicated wedding team will be on hand to help.

## CARTERS

### *Champagne Bar and Grill*

Guests and visitors are welcome to indulge in dishes from the à la carte menu, a scrumptious Sunday Roast complete with 'bottomless' Yorkshire Puddings, or treat yourself to a delightful afternoon tea.

The Champagne Bar & Grill takes its name in honour of Nicholas Carter, Harrogate's first Major in 1884, who resided at his large villa-style family home "Spring Bank" before it was purchased by the Frederick Hotel Company and transformed into one of the finest hotels in Harrogate, the Majestic.

# THE MORNING OF THE WEDDING

in our beautifully appointed bridal dressing room, complete with full-length mirrors, elegant vanity stations, plush seating and a freshly prepared buffet breakfast to keep you and your bridal party refreshed and energised as you get ready to say "I do".

Meanwhile, your husband to-be and groomsmen can gather in the sophisticated Fredericks Lounge to share a drink, unwind and celebrate together before the ceremony begins.

The beauty is in the details, that's why our spaces are crafted with such careful attention. # THE READING ROOM

Overlooking our gardens, the Reading Room features an abundance of original features, including 5.4m high ceilings adorned with original Edwardian coving, and remarkable full-length windows that bathe the room in natural light.

The magnificent fireplace is set below a beautiful oval mirror, which dates to the hotel's opening, and the shimmering antique Venetian chandelier reflects within it, sending glittering light around the room. The perfect focal point for the end of your wedding aisle.

Have the mirrored doors open to the Drawing Room next door to make a huge apartment of the two rooms or keep them separate and use the Reading Room for your ceremony and the Drawing Room for your wedding breakfast.
